

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

01- Name of the substance and/or formulation and company name

1.1 Product identifier

Vogl Acoustic Design Panel (also: Vogl Adsorber Panel, Vogl Acoustic Plaster System Panel)

1.2 Relevant identified uses of the substance or mixture and uses advised against

Identified use of the substance or mixture plasterboard

Recommended restriction of use No information available.

1.3 Details of the supplier of the safety data sheet

Vogl Deckensysteme GmbH, Anton Vogl Str. 1, 91448 Emskirchen, Germany
Phone +49 9104 825-0, Fax +49 9104 825-250, info@vogl-deckensysteme.de
E-mail address of person responsible for this SDS in Germany
Product Management, pm@vogl-deckensysteme.de

02- Potential hazards

2.1 Classification of the substance or mixture

Assessment (regulation (EC) no. 1272/2008)

No hazardous substance or mixture.

Assessment (67/548/EEC, 1999/45/EC)

No hazardous substance or mixture.

2.2 Labelling elements

No hazardous substance or mixture. Labelling not necessary.

2.3 Other hazards

Results of PBT and vPvB assessment:
not applicable.

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

03 - Composition / information on components

3.2 Mixtures

Chemical characterisation: Mixtures

Description: Plasterboard made of set gypsum, sheathed in cardboard. Designed as an acoustically effective board with acoustic fleece on the back or as a plaster base board for on-site final coating in the acoustic plaster system.

Hazardous ingredients

No hazardous ingredients.

This mixture does not contain any notifiable substances according to the criteria in 3.2 of Annex II of REACH.

04- First aid measures

4.1 Description of first aid measures

General information

No special action required.

If inhaled

Move person to fresh air. If symptoms persist, call a physician.

Skin contact

Wash immediately with soap and plenty of water.

If symptoms persist, call a physician.

Wash contaminated clothing before reusing.

Eye contact

After eye contact, remove contact lenses. Rinse eyes immediately for a prolonged period, also under the eye lids, using copious amounts of water. Consult a physician.

If swallowed

Rinse mouth with water and drink plenty of water afterwards.

Do not induce vomiting. Consult a physician.

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

4.2 Most important symptoms and effects, both acute and delayed

Symptoms: No information available.

4.3 Indication of any immediate medical attention and special treatment needed

Treatment: No information available.

05- Measures for fire fighting

General information

Product itself is non-combustible.

In the event of a fire in the vicinity, observe the following points:

5.1. Extinguishing media

Organise firefighting measures according to the surroundings.

5.2 Special hazards arising from the substance or mixture

The following can be released in case of fire:

Carbon monoxide (CO)

Carbon dioxide (CO₂)

Fume development

Inhaling decomposition products can result in damage to your health.

5.3 Advice for fire fighters

In case of fire, wear self-contained breathing apparatus, if necessary.

Additional information

Dispose of fire debris and contaminated extinguishing water in accordance with local authority regulations.

06- Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Avoid creating dusts.

6.2 Environmental protection measures

Prevent product from entering drains, water courses or soil. In the event of contaminated waters or sewers, notify the authorities in charge.

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

6.3 Methods and material for containment and cleaning up

Pick up mechanically.

6.4 Reference to other sections

See protective measures under items 7 and 8.
Information on disposal under item 13.

07- Handling and storage

7.1 Precautions for safe handling

Safe handling instructions:

Avoid creating dusts.
Do not inhale dusts.

Hygiene measures:

Wash hands before breaks and at end of work.
Do not eat, drink or smoke during work.
Avoid contact with skin or eyes. Take off contaminated clothing and gloves and wash (off) before reuse, also on the inside.

7.2 Conditions for safe storage, including any incompatibilities

Requirements of storage rooms and receptacles

No particular requirements.

Precautions against fire and explosion

No special measures for fire or explosion protection required.

Precautions against combined storage

Not required.

Storage category

13 – Non-combustible solids

7.3 Specific end uses

No further information available.

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

08- Limitation and Monitoring of Exposure / Personal protection equipment

8.1 Control parameters

Limitation of exposure at the workplace (TRGS 900)

Local designation: General dust limit value

OEL TWA [1] 1.25 mg/m³ (A)
10 mg /m³ (E)

Note: AGS; DFG

Legal reference: TRGS900

8.2 Limitation and monitoring of exposure

Appropriate engineering controls

Ensure adequate ventilation; use or install internal exhaust systems, if necessary.
The normal precautions for handling chemicals must be observed.

Individual protection measures, for example personal protection equipment

- | | |
|---------------------------|--|
| a) Eye/face protection | Tightly sealing goggles
Have an eye wash bottle with pure water available. |
| b) Skin protection | |
| Hand protection | Wear protective gloves.

Selecting an appropriate glove depends not only on the material but also on other quality criteria and differs from manufacturer to manufacturer. |
| Body protection | Protective work clothing.
Wash skin thoroughly after contact. |
| c) Respiratory protection | There is normally no need for personal respiratory protection equipment.
In the event of dust formation, wear a respiratory mask with filter. |

09- Physical and chemical properties

9.1 Information on basic physical and chemical properties

Appearance	Panel
Colour	white, white-beige, white-grey
Odour	Odourless
Odour threshold	No data available
pH value	Not applicable in delivery condition.
Melting point / freezing point	Not applicable

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

Boiling point and boiling range	Not applicable
Flash point	Not applicable
Evaporation rate	Not applicable
Flammability (solid, gas)	The product is not flammable.
Lower explosion limit	No data available
Upper explosion limit	No data available
Vapour pressure	No data available
Vapour density	No data available
Density	approx. 800 - 900kg/m ³ (non-perforated)
Solubility (water)	Not applicable
Partition coefficient: n- Octanol/water	Not defined
Autoignition temperature	Not self-igniting
Ignition temperature	No data available
Decomposition temperature	No data available
Viscosity, dynamic	Not applicable
Explosive properties	Not explosive
Oxidising properties	Not applicable

9.2 Other information

No information available

10- Stability and reactivity

10.1 Reactivity

No dangerous reaction known under conditions of normal use.

10.2 Chemical stability

Stable under normal conditions. Avoid exposure to moisture.

10.3 Possibility of hazardous reactions

Hazardous reactions No information available

10.4 Conditions to be avoided

Conditions to be avoided Stable if the recommended instructions for storage and handling are observed (see section 7).

10.5 Incompatible materials

Substances to be avoided Strong acids and strong bases
Strong oxidants

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

10.6 Hazardous decomposition products

Hazardous decomposition products No decomposition if stored and used as intended.

Decomposition temperature No data available

11- Toxicological information

Product:

Acute oral toxicity	Classification criteria not fulfilled based on data available.
Acute inhalative toxicity	Classification criteria not fulfilled based on data available.
Acute dermal toxicity	Classification criteria not fulfilled based on data available.
Corrosive/irritant effect on skin	Classification criteria not fulfilled based on data available.
Serious eye damage / eye irritation	Classification criteria not fulfilled based on data available.
Sensitisation of respiratory tract / skin	Classification criteria not fulfilled based on data available.
Germ cell mutagenicity	
Genotoxicity in vitro	Classification criteria not fulfilled based on data available.
Carcinogenicity	Classification criteria not fulfilled based on data available.
Reproduction toxicity	
Effect on fertility	Classification criteria not fulfilled based on data available.
Developmental toxicity	Classification criteria not fulfilled based on data available.
Specific target organ toxicity for single exposure	Classification criteria not fulfilled based on data available.
Specific target organ toxicity for multiple exposure	Classification criteria not fulfilled based on data available.
Aspiration hazard	Classification criteria not fulfilled based on data available.
Further information	Not applicable

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

12- Environmental information

12.1 Toxicity

Product:

Toxicity to fish No data available

12.2 Persistence and degradability

Product:

Biodegradability No data available

12.3 Bioaccumulation potential

Product:

Bioaccumulation No data available

12.4 Mobility in soil

Product:

Mobility No data available

12.5 Results of PBT and vPvB assessment:

No data available

12.6 Endocrine disrupting properties

The mixture does not contain any substances listed for endocrine disrupting properties according to REACH Article 59(1) or it has been determined according to the criteria of Delegated Regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 that it does not contain any substance with endocrine disrupting properties in a concentration equal to or greater than 0.1%.

12.7 Other adverse effects

No data available

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

13- Notes on disposal

13.1 Waste treatment procedures

Product The user is responsible for the proper encoding and designation of any waste generated.

European waste code:

17 08 02 Gypsum-based construction materials other than those falling under 17 08 01
17 09 04 Mixed construction and demolition wastes other than those falling under 17 09 01, 17 09 02 and 17 09 03

Packaging Non-contaminated packaging can be recycled.

14- Transport information

14.1 UN number Not classified as hazardous goods

14.2 UN proper shipping name Not classified as hazardous goods

14.3 Transport hazard classes Not classified as hazardous goods

14.4 Packaging group Not classified as hazardous goods

14.5 Environmental risks Not classified as hazardous goods

14.6 Special precautions for user

Notes No information available

14.7 Transport in bulk according to Annex II of the MARPOL Agreement 73/78 and the IBC Code

Notes Not applicable

Safety Data Sheet SDS 101

(No safety data sheet is required for this product under Article 31 of the REACH Regulation. This safety data sheet is informative and has been prepared on a voluntary basis).

Trade name: Vogl Acoustic Design Panel
Revised on: 01/07/2025

15- Legal provisions

15.1.1 EU regulations

Does not contain any substances listed on the REACH candidate list.
Does not contain substances listed on the PIC list.
Does not contain substances listed on the POP list.
Does not contain substances listed on the Ozone Depletion List.
Does not contain substances listed on the Explosives Precursors List.
Does not contain substances listed on the Drug Precursors List.

15.1.2 National regulations

Germany

Water hazard class	Not subject to the Ordinance on Installations for Handling Substances Hazardous to Water (AwSV)
Storage class	LGK 13 - Non-combustible solids
Other regulations	Observe statutory protection and safety regulations.

15.2 Chemical safety assessment

No information available.

16- Miscellaneous information

Further information

No safety data sheet is required for this product according to Art. 31 of the REACH Regulation. This safety data sheet is for the user's information only and has been prepared on a voluntary basis.
